Dear Valued Customer,

RE: B&R ENCLOSURES PRICE ADJUSTMENT EFFECTIVE 1ST May 2026

B&R Enclosures wishes to advise that, due to continued global cost pressures across raw materials, freight, energy, and labour, along with ongoing supply chain disruptions, a price adjustment to our products will take effect from 1st May 2026.

As an Australian family-owned and operated company for over 70 years, we remain committed to local manufacturing, supporting Australian jobs and communities, and contributing to the Australian economy. We continue to pursue efficiencies across our operations to minimise cost impacts wherever possible.

Your local B&R sales representative will be in contact prior to the effective date to discuss any outstanding quotations and provide updated pricing. Should you have any questions regarding our current quotations or orders, please contact us.

We remain focused on delivering high-quality products and reliable service at competitive market rates, which our customers have come to expect.

On behalf of the team here at B&R Enclosures, We sincerely thank you for your continued custom and we look forward to supporting your future needs.

Best Regards,
