

Eaton Electrical Australia Pty Ltd

ABN: 77 000 050 644

10 Kent Road, Mascot NSW 2020

10 June 2026

To our valued customer,

We wish to inform you that, effective 15 July 2026, a price adjustment will be applied across the entire Macey Mining product range, including all accessories.

The adjustment will be an increase of 5% across the complete range.

Due to continued increases in manufacturing costs, including raw materials, production, and logistics, we have found it necessary to implement this change. While we have absorbed a large percentage of these rising costs, this adjustment is now necessary to ensure that we can continue delivering the high-quality products and service you expect from Macey.

We appreciate your continued support and remain committed to serving your business with excellence.

Warm regards,

Paul York
