**Re: Repelec 1<sup>st</sup> October 2026 Price Changes**

Dear Wayne,

We wish to advise you of several price changes across various product groups, effective from **1<sup>st</sup> October 2026**. Please see the attached list summarizing brand, product group and the applicable percentage change.

Price increases are mainly due to product material prices enforced upon us by our suppliers and higher operational costs.

A new pricing file will be provided for updating your database by 31<sup>st</sup> August 2026.

Should you have any queries regarding the above, please do not hesitate to contact me on (02) 9675-0201.

Yours sincerely,
