RE: 1st August 2026 Price Changes

Dear Wayne,

Due to the ongoing global shortage of raw materials, several of our suppliers continue to implement immediate surcharges or advise us of upcoming price increases.

As some of these changes take effect immediately, we must pass them on to our customers effective 1st August 2026.

We anticipate that additional suppliers will announce similar increases or surcharges in the foreseeable future. Our intention is to provide 30 days' notice for any future adjustments to Repelec pricing.

The attached document outlines the affected brands and the approximate price changes where available. Updated price files will be forwarded to you as soon as possible so you can update your systems ahead of the 1st August 2026 effective date.

Thank you for your continued support and understanding during these challenging times.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'T Bell'.

Trevor Bell
Group General Manager
